

BLUEWATER 420 *Sabbatical II*

The Bluewater 420 is probably one of the best cruising yachts ever built in Australia, with world class construction and fitout. *Sabbatical II* is only 6 years old which is very rare to have such a new Bluewater available on the market. She is in excellent condition with an impressive inventory, and is ready to sail anywhere. *Sabbatical II* is an exceptional Bluewater built for strength and seaworthiness of construction as well backup systems in a yacht that could take you anywhere in the world. This is a yacht that has been lightly used and would represent an exceptional near new buy.

KEY FEATURES

Designer:	Joe Adams.
Construction:	Solid GRP with integral keel and skeg, built to survey standards.
Dimensions:	LOA 41'9" (12.72m) LWL 35' (10.67m) Beam 13'1" (4m) Draft 6'3" (1.9m) Disp app 12,170 kgs (Lightship)
NSW Registration	AGY799N
Ship No	860839
Sail No	N/A.
Yacht type:	Sloop rigged cutter with furling headsail and furling staysail.
Launched	July 2012
Layout:	2 cabins: owner's queen size berth aft with ensuite, 1 forward cabin with double V-berth forward. galley to starboard, spacious saloon amidships, large single head.
Sails:	Main. Headsail, Staysail, Storm Staysail. Storm Trysail.
Engine:	Yanmar 4JH4-TE 75hp Diesel, professionally serviced, 628.3 hours March 2018.
Fuel capacity:	Approx. 580 litres – range approx.900 NM 2000 RPM 6.2 knots.
Water capacity:	Approx. 1000 litres
Holding tank capacity:	Approx. 325 litres black water. Under forward V-berth acts as collision void
Power:	12V and 240V – all deep cycle batteries. Batteries (house x6, engine x1). Exceptional house-power supported by 4 x 80w solar panels. Total 600 AH, plus engine start battery, 700 CCA. 2 x engine driven alternators, 1 x 130amp house, 1 x 80 amp engine start alternator with Mastervolt Smart Regulator.

A great looking boat that attracts compliments wherever she goes. *Sabbatical II* is sea kindly and has exceptional sailing performance on all points. The centre cockpit version makes her light, airy and spacious and gives excellent visibility and ventilation. She is fast, comfortable, safe and always a source of pride for her owner.

BLUEWATER 420 *Sabbatical II*

HULL AND DECK

- Renowned designer Joe Adams has produced a fast, sea kindly hull with moderate beam and sufficient volume to carry the weight of gear and provide ample stowage for extended cruising without compromising performance.
- Bluewater Cruising Yachts developed the design to incorporate the centre cockpit, affording wonderful space, light and ventilation while retaining handsome and timeless lines.
- The hull is solid GRP built to benchmark standards of construction, with an integrated keel and skeg, and one piece cast lead ballast. See full details of construction on the Bluewater Cruising Yachts web site www.bwcy.com.au
- Safety features built in:
 - Main bulkhead is semi watertight with collision bulkhead forward.
 - Kevlar reinforcing forward of main bulkhead for maximum impact resistance.
 - Forward holding tank acts as collision void.
- Hull antifouled and anodes replaced (Feb 2018).
- Deck gear is Harken with Spinlock clutches x15.
- Genoa staysail and furler is Profurl.
- All sheets, halyards and lines lead to the cockpit. *Sabbatical II* is set up to be sailed single handed, with all lines accessible from the cockpit.
- Anchor – 40kg Manson Bruce on 100 metres 10mm gal chain with secondary anchor Rocna 27kg.
- Grapnel anchor for RIB dinghy.
- Large Anchor Chain Locker with fender storage.
- Windlass – Muir Cheetah H2500 with remote, cockpit and local control.
- Pulpit and Pushpit in robust polished 316 Stainless Steel with Pushpit integrated in Bimini and Davit Arch.
- Two Stainless Steel gas bottles in retainers in starboard side lazarette locker. 2 x 7kg.
- Swim platform with strong stainless steel ladder.
- Hard dodger with toughened glass. Roll glass clears and sun shade covers. Opening centre window. Overhead mast viewing window.
- Robust Stainless Steel lifeline stanchions 750mm high mounted on base and bulwarks with 3 lifelines. Rigid and secure.
- Boarding gates port & starboard.
- Boarding gate at transom with steps and ss handholds from swim platform.
- Swim platform with ss swim ladder.
- Nav lights LED – separate units at bow, masthead; stern light in bimini arch.
- Dinghy davits – robust and attractive construction – one person can easily launch and recover.
- Covers and screens – canvas covers for all deck hatches; large deck shade canvas with poles. Foredeck shade cloth/water catcher.
- Deck – Gelcoat non skid.
- Cockpit – teak over glass in excellent condition.
- Aluminium toerail anodised with built in fairleads securely bolted in.
- Exceptional ventilation: 15 opening ports and 5 deck hatches.
- Masthead:
 - Anchor light.
 - Tricolour nav light.
 - Windex.
 - Wind anemometer.
 - VHF antenna.
 - Lightning rod.

SAILS AND RIGGING

- *Sabbatical II* has been thoughtfully rigged for easy shorthanded sailing. The present owner has sailed Whitsundays and East Coast of Australia.
- Sloop rig with twin headsail on Profurl furlers.
- Mainsail – fully battened with 3 reef points.
- Headsail - Hood No 2, radial cut.
- Staysail, Storm Staysail.
- Separate mast trysail track.
- Ronstan batten cars.
- Mast, keel stepped.
- Boom preventer.
- Spinnaker pole mounted on mast track.
- All reefing lines, furling lines halyards and sheets all in excellent condition.
- Standing rigging in 316 stainless steel. Bluewater yachts are rigged to sail the world.
- All standing rigging including Spectra runners 10mm 1 x 19 ss rigging.
- All rigging attached to mast with ss tangs thru bolted.
- Twin backstays.
- Winches in cockpit – 2 x primaries 52; 2 x secondaries 40; 2 x 46 ST located on trunktop at companionway.
- All winches Andersen polished stainless steel, 2 speed.
- Spare lines included.

COCKPIT

- Built for cruising – spacious, comfortable and secure. The coamings offer excellent back support; the seats are teak topped and long enough to stretch out on.
- Cockpit light x2.
- Custom teak floor and seats in excellent condition.
- Sheet organisers keep ropes ordered and out of the way.
- Full instrumentation on helm including nav data repeater, anchor winch control, autopilot controls, wind, speed, and depth gauges.
- Three small lockers in the cockpit and two large lazarette lockers aft.

BLUEWATER 420 *Sabbatical II*

BLUEWATER 420 *Sabbatical II*

MECHANICAL AND PROPELLER

- Engine – Yanmar 4JH4-TE 75 hp diesel.
- Raw water inlet filter
- Dual primary fuel filters. Dual fuel system.
- Fuel shutoff can be operated externally for emergencies.
- Spacious, well lit engine room with good access from side opening doors and side panel allows easy maintenance and servicing. The spotless presentation speaks for itself.
- High output engine room blower venting through cockpit.
- Shaft drive with PSS seal. 38mm 1 ½” shaft (to survey).
- 3 Blade feathering prop fitted with highrise manifold for maximum protection in rough conditions.
- PSS stern gland
- Exhaust hose and waterlock muffler.
- Acoustic insulation.

ELECTRICAL

- Mastervolt high output 130 amp alternator.
- 4 x Sungear solar panels 80w mounted above arch provides sufficient trickle charge through solar regulator to keep batteries topped up and 12V fridge running summer & winter.
- Custom Control Monitor with 32 DC circuit breakers. Battery and Charging Monitors.
- 240V from shore power – input socket on transom. 2 GPO's supplied by shore power.
- AC monitoring panel with 4 CB's protecting 4 circuits. 2 spare.
- Mastervolt Smart charger (for alternator).

STEERING AND CONTROLS

- Hydrive hydraulic steering.
- 36” (915mm) ss wheel.
- Morse single lever engine/gear control.
- Simrad Autopilot (electric hydraulic drive) Course Computer) with Control Heads at Helm Station. Large yacht autopilot.
- Strong and functional emergency tiller fitted under saloon steps.

TANKAGE AND PLUMBING

- Diesel – 580 litres in 2 x Stainless Steel tanks under aft berth and storage area with fillers on aft deck. Inspection lids and baffles fitted. 2 x gauges.
- Water – 1000 litres in 4 integrally moulded tanks within hull located in structural floors. Accessible freshwater. 2 x water supply panels for individual filling, isolating any system or using any tank from any pump. Each tank has access panel and depth gauge.
- Fillers on Deck and outlet manifold in Galley. Superb water capacity and storage quality. Dedicated carbon filtered drinking water tank with separate taps.
- Holding tank 325lt black water crash bulkhead aft under forward berth and is sealed off from rest of vessel. Tank has high output manual pump for discharge overboard. Pump Out Station deck outlet.
- Hot Water System 50 Litres (engine or 240V)
- 1 x Jabsco 2.5 gpm high pressure freshwater pumps for hot and cold water to galley and heads, and transom shower.
- All plumbing labelled and accessible.
- All through-hull fittings & sea cocks in bronze with tapered wooden plugs attached to all by lanyard.
- Transom shower. Hot and cold water.

BLUEWATER 420 *Sabbatical II*

GALLEY AND REFRIGERATION

- At the foot of the companionway on starboard is the large and functional galley, in a secure passage layout. The location close to the centre of the boat affords minimum motion at sea. Many meals have been prepared at sea without fuss.
- Adequate bench space and outstanding stowage in 4 drawers and 4 cupboards. Custom fittings for crockery, glasses and cups (incl).
- Twin stainless steel deep sinks with hot & cold pressure water.
- Force 10 LPG stove with two burners, separate grill and oven on gimbals. BEP gas detector.
- Large top-opening GRP fridge/freezer with 12v/240v Ozefridge system. Ample insulation affords good performance in the hottest tropical conditions. 120lt capacity.
- Sovereign gas Stainless steel BBQ. Rail mounted.
- Kettle.

SAFETY AND FIRE FIGHTING

- One ACR 406 EPIRB. Mounted on side of companionway.
- 4 coastal PFD's.
- Fire extinguishers – Two.
- Fire blanket in galley.
- Bilge pumps – 1 large capacity manual bilge pump in head.
- Johnson Electric 12V automatic bilge pump in bilge.
- Jack stays with stainless steel attachments; 4 x clip on points in cockpit.
- Boom brake to prevent accidental jibes of the main boom.
- Passive safety features – abundant handholds right through the boat; 3 lifelines.
- RFD 6 man liferaft in deck chocks and cover (in survey February 2018).
- 1 Seabrake drogue.
- Jordan Series drogue with chainplate attachment points.
- 1 x MOB retrieval kit. Lifesling.
- 1 x Heaving line.
- Spare anchor line.
- Rocna 25kg spare anchor.
- Lightweight aluminium lunch pick.

NAVIGATION, INSTRUMENTS, RADIOS AND ENTERTAINMENT

- Icom 505B VHF.
- Icom 801E HF Radio.
- Simard NSE 12" multifunction display.
- Simrad high speed GPS receiver.
- Simrad Wind / Speed / Depth.
- Simrad 3G Broadband radar.
- Simard AC12 Autopilot.
- Fusion MS-IP700 Stereo System, Ipod dock, 4x speakers.
- Fusion 21" TV/DVD player.
- 4x Watertank gauges.

BLUEWATER 420 *Sabbatical II*

INTERIOR FITOUT AND LAYOUT

- The immediate impression as you step below on *Sabbatical II* is the light, space and freshness of the saloon and accommodations, and the quality of the fitout in traditional but light white oak. The centre cockpit affords outstanding headroom and visibility, and ventilation is excellent.
- Forward Cabin: double V-berth, stowage lockers under V-berth with access lids, 2 louvre vents, 2 hanging locker and solid framed doors with louvre vents.
- Head Inclusions: vanity with built in mirror, Jabsco Quiet Flush electric toilet, timber trimming, flush fitting teak grate, timber fiddle, chromed bronze tap fitting and GRP sink. Moulded wet locker. Hot and cold shower. Corian benchtop.
- Dinnette: U-shaped. Leather upholstery. Lockers underneath and behind. Cupboards behind in each corner, bookshelf in between and fixed height table with wine storage underneath.
- Settee: lockers underneath and behind. Cupboards either corner and TV monitor.
- Galley: Timber surround on cupboard doors, toe kick recess bench, 3 drawers, overhanging cupboards, top opening fridge/freezer, corian faced bench top, shelves and stove area, deep twin bowl stainless steel sink, Broadwater LPG 2 burner stove with oven and griller, chromed flickmixer taps and freshwater separate tap.
- Navigation Area: ½ chart size to almost full size, chart drawer, filing cabinet with files, circuit board, electronics, radios behind chart table, 2 x small cupboard underneath and rotating, adjustable seat.
- Rear Cabin: queen size double bed approximately 6'8" x 5', lazarette locker either side of bed head, 2 seats in corner of bed with stowage bins behind and 2 hanging lockers.
- Excellent warm white lighting throughout.
- 5 x 12V quiet operation fans in saloon and cabins, galley and head.
- Webasto 5500 diesel heater fitted with 5 outlets including cockpit outlet.

BLUEWATER 420 *Sabbatical II*

STOWAGE

- Exceptional stowage is a feature of the Bluewater 420.
- Adequate storage for mooring lines, fenders etc in forward chain locker.
- Two lazarette lockers aft of cockpit
- Stowage lockers for sail ties, gloves, personal gear in 3 cockpit lockers.
- Abundant storage for clothing, provisions and equipment throughout the boat – adequate for the longest passages and liveaboard plans.
- All cupboards in white oak with secure door catches.
- Step up transom lockers for dive gear, lines, anchors, etc.

HEADS

- Jabsco QF electric toilet.
- Moulded hand basin with mirrored cupboard above and further cupboard below. Corian benchtop.
- Spacious shower area with curtain.
- Wet locker behind toilet.

TENDER / DAVITS

- Robust Stainless Steel Davits attractively incorporated in arch – easy to launch dinghy with outboard, single handed.
- Boarding lights under arch solar panels.
- Walker Bay 10' dinghy.

MANUALS AND OPERATING SYSTEMS

- Comprehensive manufacturers' manuals, for all equipment and operating systems on board.

MISCELLANEOUS

- RFD 6 man Liferaft.
- Sovereign Gas Stainless Steel BBQ with cover rail mounted.
- Some East Coast Australian paper charts.
- Fenders x 6.
- 2 x 7kgs stainless steel LPG cylinders.
- 1 x boarding ladder.
- Hatch screens.
